

The Ambassador Program Financial Model

The Ambassador Referral Program has been uniquely designed for the rideshare industry. It allows rideshare drivers to earn extra money by bringing in referrals. The following financial model breakdown is excerpted from the Ambassador Program informational video.

"Can I really get my car for free and earn extra money?"

Consider the following example: The daily vehicle rental rate is \$39/day. Here's what would happen if each referral ended up bringing in two more referrals:

Ambassador

When you refer **one** person, you get 8% from his rental. That is \$3.12 towards your rental. Now you're only paying \$35.88 and you've reached **Ambassador** rank.

Executive Ambassador

When you refer **two** people, you get 10% from each of their rentals. That's \$7.80 towards your rental. Now you're only paying \$31.12 per day for your car. In addition, you'll receive a one-time bonus of **\$200**. You have now reached **Executive Ambassador** rank.

You now start getting paid on the people your referrals bring in.

Your Team Level 1 would have 4 people paying you 5%—that's \$7.80 a day. And your Team Level 2 would have 8 people paying you 3%—that's \$9.36 a day. If you add it up, that's $\$7.80 + \$7.80 + \$9.36 = \24.99 . That will bring your daily rental down to \$14.04 a day.

Master Ambassador

When you refer **four** people, you get 10% from each of their rentals. That's \$15.60 towards your rental. Now you're paying \$23.40 a day for your car. In addition, you'll receive a one-time bonus of **\$500**. You have now reached **Master Ambassador** rank.

Your Team Level 1 would have 8 people paying you 5%—that's \$15.60 a day.

Your Team Level 2 would have 16 people paying you 3%—that's \$18.72 a day.

And your Team Level 3 would have 32 people paying you 2%—that's \$24.99 a day.

If you add it up, that's $\$15.60 + \$15.60 + \$18.72 + \$24.99 = \$74.91$. That now pays for your rental and puts **an extra \$35.91 in your pocket every day**.

That's approximately **\$1,100** a month!

Silver Ambassador

When you refer **six** people, you get 12% from each of them. That's \$28.08 towards your rental. Now you're paying \$10.92 a day for your car. You'll also receive a one-time bonus of **\$1,500**.

You will have six people (including one Master who brings in four referrals) to qualify to as a **Silver Ambassador**.

Your Team Level 1 would have 16 people paying you 6%—that's \$37.44 a day.

Your Team Level 2 would have 32 people paying you 3%—that's \$37.44 a day.

Your Team Level 3 would have 64 people paying you 2%—that's \$49.92 a day.

Your Team Level 4 would have 128 people paying you 2%—that's \$99.84 a day.

If you add it up, that's $\$28.08 + \$37.44 + \$37.44 + \$49.92 + \$99.84 = \252.72 . That now pays for your rental and puts **an extra \$213.72 in your pocket every day**.

That's approximately **\$6,500** a month!

Gold Ambassador

When you refer **seven** people, you get 12% from each of them. That's \$32.76 towards your rental. Now you're paying \$6.24 a day for your car. You'll also receive a one-time bonus of **\$2,000**.

You will have seven people (including three Masters who bring in twelve referrals and one Silver Ambassador who brings in six referrals) to qualify as a **Gold Ambassador**.

Your team Level 1 would have 24 people paying you 6%—that's \$56.16 a day.

Your team level 2 would have 48 people paying you 3%—that's \$56.16 a day.

Your team level 3 would have 96 people paying you 2%—that's \$74.88 a day.

Your team level 4 would have 192 people paying you 2%—that's \$149.76 a day.

Your team level 5 would have 384 people paying you 2%—that's \$299.52 a day.

If you add it up, that's $\$32.76 + \$56.16 + \$56.16 + \$74.88 + \$149.76 + \$299.52 = \$669.24$. That now pays for your rental and puts **an extra \$630.24 in your pocket every day**.

That's approximately **\$19,000** a month!

Platinum Ambassador

When you refer **eight** people, you get 12% from each of them. That's \$37.44 towards your rental. Now you're paying \$1.56 a day for your car. You'll also receive a one-time bonus of **\$3,000**.

You will have five people each bringing in ten people (including 2 Silver Ambassadors who bring in twelve referrals and also one Gold Ambassador who brings in seven people) to qualify as a **Platinum Ambassador**.

Your Team Level 1 would have 29 people paying you 6%—that's \$67.86 a day.

Your Team Level 2 would have 58 people paying you 3%—that's \$67.86 a day.

Your Team Level 3 would have 116 people paying you 3%—that's \$135.72 a day.

Your Team Level 4 would have 232 people paying you 2%—that's \$180.96 a day.

Your Team Level 5 would have 464 people paying you 2%—that's \$361.92 a day.

Your Team Level 6 would have 928 people paying you 2%—that's \$732.84 a day.

If you add it up, that's $\$37.44 + \$68.76 + \$68.76 + \$135.72 + \$180.96 + \$361.92 + \$732.84 = \$1,586.40$. That now pays for your rental and puts **an extra \$1,586.40 in your pocket every day**.

That's approximately **\$48,000** a month!

Diamond Ambassador

When you refer **ten** people, you get 14% from each of them. That's \$54.60, which is more than the cost of your car rental. You'll also get a one-time bonus of **\$5,000**.

You will have five people each bringing in ten more referrals (including four Silver Ambassadors who bring in 24 people and one Platinum Ambassador who brings in eight people) to qualify as a **Diamond Ambassador**.

Your Team Level 1 would have 42 people paying you 8%—that's \$131.04 a day.

Your Team Level 2 would have 84 people paying you 4%—that's \$131.04 a day.

Your Team Level 3 would have 168 people paying you 4%—that's \$262.08 a day.

Your Team Level 4 would have 336 people paying you 3%—that's \$393.12 a day.

Your Team Level 5 would have 1,344 people paying you 3%—that's \$1,572.48 a day.

Your Team Level 6 would have 2,688 people paying you 3%—that's \$3,144.96 a day.

Your Team Level 7 would have 5376 people paying you 2%—that's \$4,193.29 a day.

If you add it up, that's $\$54.60 + \$131.04 + \$131.04 + \$262.08 + \$393.12 + \$1,572.48 + \$3,144.96 + \$4,193.29 = \$9881.25$. That now pays for your rental and puts **an extra \$9,843.60 in your pocket every day**.

That's approximately **\$300,000** a month or over **\$3 million** per year!

Remember, there is no limit on how many referrals you can bring in. The more referrals you bring in, the more chances you have that they will build a team under them.
